

INTER-MOUNTAIN FAIR CAMPING POLICY

2024 Inter-Mountain Fair camping rules.
Please read carefully.

1. All Campers must pay admission to the Fair. Admission is NOT INCLUDED in the price of the camping spot.
2. East Lawn spaces are only available to LIVESTOCK EXHIBITORS. Exception only to 4-H Club trailers and fair staff. If you had an east lawn space last year but are not exhibiting livestock this year, you will be moved to another available camping space.
3. Tents are allowed if they remain in your assigned 12-foot-wide space.
4. Trailers along the Beef Barn may not plug into the barn for power. You may bring a generator for your power supply.
5. All lawn trailers must be in place no earlier than 3 PM Sunday, August 27 and no later than 6 PM Tuesday, August 29. The fair camping rate includes August 27 – September 4. There are no nightly rates.
6. A trailer or tent must occupy your camping space.
7. Reservation and camping fees must be paid in full (with accompanying livestock entry forms for east lawn) by Friday, August 2, 2024. All unpaid spaces will be considered available and assigned to a new camper from the waiting list.
8. Management designates all camping spaces. Spaces are Subject to Change. Prior year campers may have priority. After previous campers have paid for their camp space and have met the requirements to camp, management will fill empty campsites with people from the waiting list. Waiting list rolls over from year to year. Spaces cannot be handed down from one person to another.
9. No Vehicles will be allowed to be “camped in” on the grounds. Vehicles not removed by 8 AM will be towed at owner’s expense.
10. NO DOGS ARE ALLOWED ON THE FAIRGROUNDS! This applies to all fair attendees. Exceptions include dogs entered in a show (which are to be removed immediately following the conclusion of the show) and service dogs that are properly identified/with paperwork.
11. All outside food and beverage must stay in camping area.
12. Adult supervision is required in East Lawn camping area.
13. Campers must put trash in provided trash cans.
14. A space with a power pedestal does not guarantee full use of trailer amenities (example A/C).

I have read these rules and acknowledge that any violation of these rules may result in fair management requesting me to vacate the premises, power being turned off to my pedestal (if applicable), or the surrender of my camping spot for the 2025 Inter-Mountain Fair. I acknowledge camping at the Inter-Mountain Fair is a privilege and not guaranteed regardless of prior year camping.
