Rules and Car Instructions

- This is NOT a demolition derby. Rubbing is racing, keep it safe.
- Age Requirement: 16
 - Signed parental consent for drivers/riders under 18 years of age
- Any unaltered cars or pickup truck are eligible to race (example: no flat beds, utility beds, ect)
- Full face helmets are required for all drivers/riders
- Up to 4 people per car or 2 people per pick up truck, all passengers must have seat belt.
- No glass in/on vehicle
- Any flammable interior must be removed. Stock dashes can be left in place
- All body parts are to remain inside the vehicle at all times.
- No 4WD or AWD.
- **Airbags** must be removed
- Doors must be welded or chained shut
 - At least two chains per door
 - Chain size must be 5/16th or larger

Battery:

- **Batteries** can be left in stock position, if mounted inside, batteries must be covered

Fuel Tank:

- If the **fuel tank** is mounted in front of the rear axle, it can be left in stock position
- If not in front of the rear axle, the tank must be remounted inside and covered. *Boat tanks are recommended.*

Tires:

- Street **tires** are okay, no traction tires or studded tires allowed
- “Slicks” are ideal

Fire:

- Fire department will be on site
- DO NOT mount fire extinguishers inside your vehicle
- If your vehicle catches fire multiple times, you will be removed from the race

Water Balloons:

- Balloons or squirt guns (plastic only) are allowed inside of your vehicle and can be thrown at other drivers and passengers.

I, _____, have read and understand all rules and car instructions associated with the Inter-Mountain Fair Enduro Race. All passengers, drivers, and pit crew members associated with my car will follow the above rules, as well as any additional rules that the event hosts may add or share at the driver meeting.
